

Richfield Branch Parking Lot Maintenance Notification

Beginning Monday, August 24, 2026, MY CREDIT UNION anticipates the northeast portion of the main Richfield Branch Parking Lot (Closest to 77th Street) being temporarily closed for repair (see the map below).

- While the branch will remain open during this project, member access to various sections of the parking lot itself may change throughout each day until the work is completed.
- The parking lot entrance closest to the big boulevard monument sign/main entrance will be closed during this repair period. Please refer to the map for other entrance points that may be available.
- If feasible, upon consultation with the construction company, orange cones and other signage may be in place to direct member access and travel on the property, both by car and on foot.
- We have been informed that the ATM will most likely not be available since the project is addressing an issue immediately adjacent to the ATM structure. Members should still be able to receive cash at the drive-thru or by walking into the lobby during normal business hours.
- The closest alternate branch location is the Lyndale Office at 9550 Lyndale Avenue South in Bloomington.
- This situation is fluid, so we ask all members visiting the Richfield Branch to proceed with caution as they enter or exit the property.
- As appropriate, other business/questions could be directed to 612.798.7100.

We apologize for the short notice, but the start date and time were dependent on the availability of the construction company performing the work, which apparently became available as of late Friday afternoon, 8/21/2026.

Thank you,
MY CREDIT UNION
