OCTOBER 2024

3rd Annual "Fall Classic" Charity Cornhole Tournament

Congratulations once again to our friends from Donaldson here in Bloomington for capturing the crown at the 2024 Fall Classic. The corporate invitational format brings together Minnesota businesses from many different industries (including many credit unions and vendors) to network, have a fun day at "work" and raise money for local Minnesota veteran organizations. It has been truly humbling to see the response from the Minnesota business community - we couldn't do this without you!

2024 non-profit organizations supported include:

- Bloomington Remembers Veterans
- Hendrickson Foundation
- Warriors Next Adventure
- Veterans on the Lake
- Flags for Fort Snelling
- YMCA of the North Veteran Outreach

A special thank you goes out to Mark and Nicholle Parrish for hosting the event again, John deCausmeaker from the Minnesota Wild for singing the national anthem, DJ Goodknight for adding musical energy to the event and Kia from K102 for not only supporting the event but finishing 7th in her debut at the Fall Classic. An additional thank you goes out to all the staff and volunteers who showed up early and stayed late to make sure the event was a success!

MY CREDIT UNION will accept donations on behalf of these organizations if members also want to support them. If your business or employer would like to learn more about the 2025 event, please email marketing@mymncu.org.

Un-BEE-lievably Fun Event for HoneyBee Kids Club Members!

Our llama friends "Dill and Pickle" will highlight a morning of fun and festivities at the Lyndale Branch for members of the HoneyBee Kids Club! The event will be on Saturday, October 19, from 9 a.m. - 12 p.m. The morning will also feature pumpkin decorating, face painting, spin art and other games and prizes.

The event is free but exclusive for HoneyBee Kids Club members. There is still plenty of time to come in and open a free HoneyBee Account for your kids ages 12 and under so they're able to join the fun on October 19.

MY CREDIT UNION created the HoneyBee Kids Club to provide basic financial education to younger kids, along with basic environmental education about how important honeybees are to Minnesota, and to have fun along the way - like with this Pumpkin Patch event! We hope to have a "hive" of HoneyBee Kids on October 19!

Medicare Enrollment Period Is Right Around the Corner!

I have spent the past many years trying to help my dad (who also happened to be a veteran) understand his Medicare enrollment choices better. Holy cow! Clear as mud at times!

When the Minnesota Credit Union Network announced its plan to launch TruLync Medicare Advisors to help seniors navigate this, at times, stressful decision, I couldn't have been happier! I didn't have time and expertise to understand Medicare changes from year to year, so having TruLync as a trusted credit union resource was a big relief.

If you, your parents, friends, neighbors, coworkers - or anyone - would like to schedule a free no-obligation review with TruLync, the time to act is now! You can call 800.477.0674, email medicare@trulync.com or visit trulync.com to schedule your appointment.

By calling this number, you agree to speak with an independent health insurance agent about Medicare insurance products. We are not affiliated with Medicare or any government agency. We do not offer every plan available in your area. Currently we represent 8 organizations which offer 61 products. Please contact Medicare.gov or 1-800-MEDICARE, or your local State Health Insurance Program, to get information on all your options. This is an advertisement.
