## Flags for Fort Snelling Fulfills Mission

After the global pandemic limited Flags for Fort Snelling (FFFS) in 2020 - the organization received approval in early May to resume operations for the 2021 Memorial Day Weekend. FFFS quickly recruited 1,000 volunteers (including some MY CREDIT UNION members) and got to work placing flags.

"I am proud that we were able to fulfill our mission once again in 2021," stated co-founder Joanne Malmstedt. "The response from volunteers was amazing!"

As a Founding Corporate Sponsor of Flags for Fort Snelling, MY CREDIT UNION is also proud of the response and generosity of MY Members in supporting the FFFS mission as well!

On a sad note, FFFS co-founder Rocky Borchardt lost her battle with cancer just after this year's event concluded. "Her passion and dedication to honor veterans was never in doubt. I know she will be looking down on Fort Snelling National Cemetery every Memorial Day with her trademark smile and be proud that the FFFS mission will continue!" said Todd Barduson from MY CREDIT UNION and FFFS Planning Committee Member. "She leaves behind a pretty amazing legacy!"

# Helpful solutions for your 401(k)

Have you recently changed jobs? It is time to make a decision about your 401(k).

As you prepare for a move or are settling into a new job, do not forget about your 401(k) plan with your previous employer.

Available options include rolling it into an IRA or cashing out. Alternatively, if permitted, you may also have the option to leave the 401(k) in its current plan or to roll it over to a plan sponsored by your new employer.

We can review your personal circumstances and help you decide which option is right for you and walk you through the process.
