

SUPPORT MINNESOTA KIDS IN NEED

# 30<sup>th</sup> Annual Chain of Hearts Fundraiser

BENEFITING CHILDREN'S MIRACLE  
NETWORK HOSPITALS

This January and February, join MY CREDIT UNION in the Chain of Hearts fundraiser, a heartfelt campaign by **Credit Unions for Kids** to benefit **Gillette Children's Specialty Healthcare** in St. Paul, a member of the Children's Miracle Network Hospitals.

## Why It Matters

- **Gillette Children's** provides world-class care for kids with disabilities and complex medical conditions across Minnesota and beyond.
- Since 1996, the Minnesota Credit Unions for Kids fundraising program has contributed over \$3 million to support this vital local institution.

## How It Works

- **Paper Hearts & Links** 🧡: With just a dollar (or more!), you can "purchase" a heart or link to be added to our growing community chain. Each piece represents a life touched.
- **Local Impact:** All donations stay in our region, helping children from Minnesota and western Wisconsin access the specialized care they need.

## Join the Campaign

- **When:** January 2 – February 28, 2026 (participation is flexible – stop in any time!)
- **Where:** Visit any MY CREDIT UNION branch or call us to donate.
- **Every Dollar Helps:** From diapers to blankets and blood pressure cuffs—minimal donations make real miracles happen.
