

# THE BUZZ!

## WHAT'S THE BUZZ?

There's lots of buzzing action going on in spring. Flowers are blooming - meaning there's pollinating work to get done!

During this time, bees will store and grow their honey to enjoy later. Similar to how you earn and save every cent - you'll enjoy the sweetness of saving in the future!

Get buzzy with your money!

What's a bee's favorite sport?

*Rug-bee!*
