JUNE 2026

What is Memorial Day?

Memorial Day specifically honors those veterans who died while serving our country. Veterans Day on November 11th honors all veterans who served our country. Both holidays commemorate service and sacrifice to our country, but Memorial Day carries the extra weight knowing these brave men and women gave their lives while protecting ours!

How many veterans laid to rest at Fort Snelling National Cemetery died while serving their country? We aren't sure. But as our members joined us in placing all the flags in Section M this year, we asked them to be mindful of the true meaning of Memorial Day, since we may be the only people who visit some of these headstones all year!

And for any MY CREDIT UNION members who have family members who have given their lives in service to our country, we are sorry for your loss, but want you to know their service and sacrifice will never be forgotten!

Bloomington Remembers Veterans

MY CREDIT UNION has been inspired to support the unique concept that broke ground recently to honor veterans in Harrison Park in Bloomington – near City Hall. The goal is to complete construction by fall, so the Memorial can be dedicated in conjunction with Veterans' Day!

The Memorial will utilize QR Code technology on a "Dog Tag" to allow families to digitally share their favorite veteran's story. To learn more about sponsoring a "Dog Tag," visit BLM.MN/VETERANS-MEMORIAL or call 952.563.8728. Act by June 30th to guarantee inclusion at Memorial Opening – Fall 2026. Space is limited...

Emerald Trail Elementary - Firefly Fest

May 19th was a chilly night in Minnesota, but the MY CREDIT UNION HoneyBee Club received a warm welcome from Emerald Trail Elementary in Rosemount at their Family Firefly Fest. The evening featured games and activities for the kids and several local food trucks serving food & beverages to help people warm up. The event also served as a fundraiser for their PTA. Turns out the school has a focus on ecology, and they were very interested in learning more about our friend, the HoneyBee! We were happy to generate some HoneyBee Club BUZZ on even that cold night!

Start Small, Dream Big with the HoneyBee Kids Club

At MY CREDIT UNION, we believe strong financial habits start early—and that learning about money can be both fun and rewarding. Designed to help young members build a solid foundation for lifelong savings success, the HoneyBee Kids Club was born!

Why Saving Early Matters

Teaching kids about saving at a young age gives them skills they'll carry for life. When children learn to set aside money, even in small amounts, they begin to understand important concepts like goal-setting, patience, and responsibility. Whether it's saving for a new toy, a game, or a special outing, kids experience the satisfaction of reaching their goals—and that's a lesson that goes far beyond money.

Building Smart Habits

The HoneyBee Kids Club makes saving exciting and approachable. By giving kids their own account, they can:

- Watch their savings grow over time
- Learn the difference between spending and saving
- Practice making thoughtful financial decisions

It's a hands-on way for families to start conversations about money and encourage positive habits early on.

Growing Financial Confidence

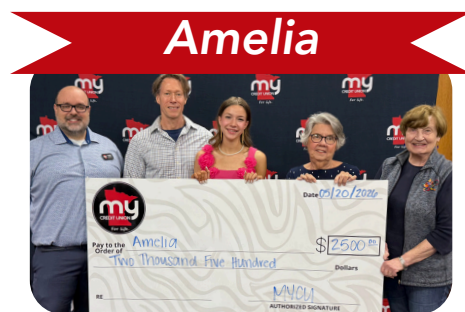

Understanding money isn't just about numbers—it's about confidence. When kids feel comfortable managing small amounts of money, they're more prepared to handle bigger financial decisions in the future. From their very first deposit, HoneyBee Kids Club members begin building confidence, independence, and a sense of pride in their achievements.

Get started today - stop by any branch location to open a HoneyBee Kids Club account for your little one and get a sweet start to financial success!

Congrats to 2026 Scholarship Winner Amelia

We recognized the three other 2026 scholarship winners in last month's newsletter, but did not have a chance to congratulate Amelia! In reading her application, it looks like Amelia has already achieved a lot but has plans to achieve even more as she heads off to college in the fall.

High school students who will be seniors in the fall are reminded to become primary members of MY CREDIT UNION before January 1, 2027, to make sure they are eligible to apply for the 2027 scholarships.

Thank you Bloomington Jefferson Football!

Once again, in honor of Tom Burnett Jr (former Jaguar QB), the young men of the football team made quick work in hauling all 500 totes (containing 200,000+ U.S. Flags) out of the Richfield Branch basement and loading them onto trucks to head to Fort Snelling National Cemetery in time for Memorial Day Weekend. They also helped place flags in Section 7, where Tom Burnett Jr is laid to rest!

Senior Resource Fair

MY CREDIT UNION would like to thank the 20+ senior-serving businesses in the Rosemount area for joining us in the Rosemount Branch Community Room for our first try at hosting a Senior Resource Fair. The goal was not only to provide an opportunity for seniors to get to know these businesses, but for MY CREDIT UNION to get to know both the seniors and businesses as well. It has been suggested that perhaps we try hosting a similar event in Richfield at some point as well!

Painfully slow climb. Anxiety building wait on top. Then the fall. Up and down.

If you would like to step off the financial roller coaster onto solid ground, I have some suggestions:

- Evaluate your investments
- Determine your state of risk
- Review your needs
- Reallocate as needed

Give me a call, I'd be happy to help you evaluate your needs and make suggestions to help secure your financial goals.

With over 30,000 residents, but no local credit union to serve them, we hope word will quickly spread as to what a great community partner MY CREDIT UNION has proven to be in Rosemount.
