

Upcoming System Migration

MY CREDIT UNION would like to thank members for their patience as our team works hard to prepare for the upcoming System Migration! Please review the "Final Roadmap" that was mailed out with statements last month, also available in branch, which provides key timelines for potential service disruptions.

At the Q&A Sessions listed below, we're there to walk you through what's changing, what to expect and how it benefits you as a member. Bring your questions - we're ready to help make this transition smooth and simple!

Please RSVP on our website to reserve your seat for session times that are outside branch hours and listed in **red** below. No RSVP needed for sessions during typical branch hours.

Exciting Progress in Rosemount

We're thrilled to share that construction is officially underway at our new MY CREDIT UNION branch in Rosemount, and the structure is starting to take shape! As the walls go up, so does our excitement to join the Rosemount community. One of the features we're most excited about? A large, open community space designed for local organizations, nonprofits and neighbors to gather, collaborate and thrive. It's our way of making sure this branch becomes more than just a financial hub, but a place where community happens.

Stay tuned for more updates, and thank you for helping us grow together!

4th Annual "Fall Classic" Charity Cornhole Tournament

We're proud to host the 4th Annual "Fall Classic" Cornhole Tournament! This event brings together credit unions, vendors and veteran-friendly businesses to support Minnesota's veteran community. This year, proceeds will benefit six Minnesota veterans organizations, helping us continue the tradition of remembrance, gratitude and community support.
